

# **ENVIRONMENTAL POLICY**

The Blackmore Group is committed to the concept of reducing to a minimum any actions that have an adverse effect on the environment. It supports this commitment by operating both to the ISO 9001:2015 Quality Management System and the ISO 14001:2015 Environmental Management System.

In conducting its printing business it aims to prevent pollution and to save natural resource by operating in the most environmentally efficient and friendly way and by recycling wherever this is practical. This it does by not only keeping its use of materials down to a minimum but also its use of non-renewable resources such as petrol and, indirectly, of electricity. Furthermore it aims in its printing business to encourage its customers to adopt environmentally friendly business practices wherever possible.

This commitment extends to all areas of its business. It further aims to continually improve its environmental performance in order to safeguard the quality of the environment, both locally and globally.

## ***Legislation and regulations***

All applicable legislation and regulations are adhered to at all times and it is The Blackmore Group policy to keep up to date and implement the requirements of all new environmental legislation.

## ***Management responsibilities***

The Directors and Managers are responsible, both individually and collectively for communicating to all employees the environmental needs of the Company and for implementing the environmental policy.

## ***Local requirements***

It is the aim of The Blackmore Group, irrespective of any regulations or legislation to be a good neighbour and, while providing its printing services to reduce to an absolute minimum any environmental problems.

## ***Review of environmental policy, objectives and targets***

The Blackmore Group has a number of environmental objectives that are publicised to staff, customers and the public. These targets are set and regularly reviewed by means of its environmental auditing, non-conformance control and management review processes.

## ***Communication***

This Environmental Policy is published on The Blackmore Group website, is enclosed with proposals when appropriate and is also submitted with our advertising literature.
